

DPS Entry and Operation Guide Part 1 - DPS Overview, Entry Criteria and Evaluation Methodology

1. Introduction

The London Borough of Haringey (“Haringey Council” or “the Council”) has worked with *adam* to introduce a web-based system, SProc.Net, to manage the Council’s Dynamic Purchasing System (DPS). The Council will use this system for the procurement of **Adults Home Support Services**

The local authorities set out below shall also be permitted to award contracts under the DPS for the provision of services in its own geographical area upon entering an access agreement with Haringey Council.

- The following local authorities: London Borough of Barking & Dagenham, London Borough of Barnet, London Borough of Bexley, London Borough of Brent, London Borough of Bromley, London Borough of Camden, London Borough of Croydon, London Borough of Ealing, London Borough of Enfield, Royal Borough of Greenwich, London Borough of Hackney, London Borough of Hammersmith and Fulham, London Borough of Harrow, London Borough of Havering, London Borough of Hillingdon, London Borough of Hounslow, London Borough of Islington, Royal Borough of Kensington and Chelsea, Royal Borough of Kingston upon Thames, London Borough of Lambeth, City of London, London Borough of Lewisham, London Borough of Merton, London Borough of Newham, London Borough of Redbridge, London Borough of Richmond upon Thames, London Borough of Southwark, London Borough of Sutton, London Borough of Tower Hamlets, London Borough of Waltham Forest, London Borough of Wandsworth, London Borough of Westminster; and

When applying for membership of the DPS, potential suppliers will be invited to select which of the Service Category they wish to apply for. There is no limit on the number of options that a supplier may choose – this is entirely at the discretion of the supplier.

When a contract is being awarded under the DPS, the council shall select which service category applies to that contract, and the suppliers that are registered to the relevant service category shall be invited to submit an offer.

This DPS Entry and Operation Guide, which consists of 2 Parts, will give you as a potential supplier an overview of what a DPS is and will outline the Entry Criteria you must meet to join the DPS and the evaluation methodology the Council will use to assess your capability to deliver Home Support Services to the Council. It will also explain how the Council will manage their procurement and invoicing processes using SProc.Net.

2.0 What is a DPS?

A DPS is a completely electronic system established by a contracting authority to purchase commonly used goods, works or services.

A DPS does not operate in the same way as a contract/framework in that it is an ‘open market’ product designed to provide access to a pool of suppliers or supply base, which can be constantly refreshed. Interested suppliers will have to apply to be admitted to the DPS. When the contracting authority needs to procure specific services, it will then follow a further bidding process amongst the suppliers admitted to the DPS in order to award a contract (called a Service Agreement) to provide the services.

2.1 How the DPS works

A supplier that wishes to provide Home Support Services to Haringey Council will have to join the DPS by registering and by submitting Accreditation and Enrolment information (an Entry Submission) online via www.Sproc.net.

As part of the Accreditation and Enrolment process, the Supplier will be required to indicate for which of the Service Categories it is able to provide services (please see section 1.0 above for further information regarding the selection of Service Categories).

The Supplier’s Entry Submission will then be evaluated to establish the supplier’s general

capability offering against a number of pre-set selection criteria, the Entry Criteria.

The Accreditation and Enrolment process will encompass the evaluation of suppliers' capability (financial and technical) to provide the services described in Haringey Council's Specification (the Services), which can be viewed at <http://demand.Sproc.net>, against the Entry Criteria which will be evaluated on a pass / fail basis or such other basis as is explained further below.

All successful and unsuccessful suppliers will be notified of the outcome of the evaluation of their Entry Submissions applying for Accreditation and Enrolment. A supplier will either be accepted onto the DPS or rejected and provided with feedback in order to enable it to re-apply later should it wish to do so. Suppliers will have one additional opportunity to submit to Enrolment. In the event of failure to meet requirement following the second attempt, suppliers will have to wait 6 months before resubmitting.

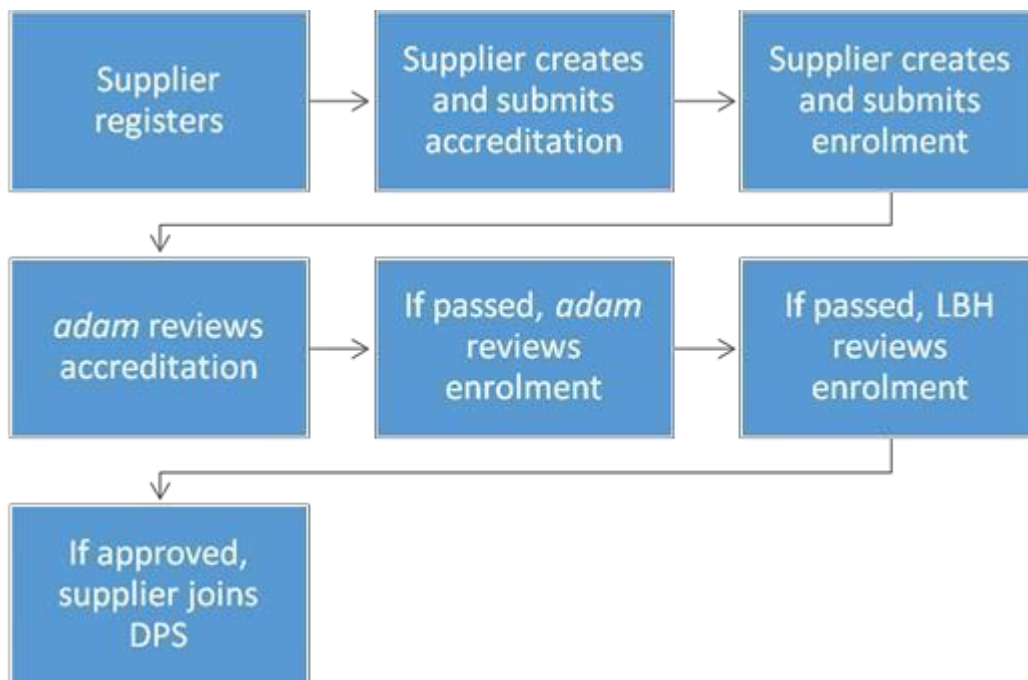

The feedback to unsuccessful suppliers will outline the areas in which they need to make improvements in order to submit a successful Entry Submission in the future. The process of applying to join the DPS is explained further in a step-by-step manner below.

From time to time, when Haringey Council requires specific **Home Support Services** it will notify suppliers accepted onto the DPS of the opportunity and will run a tender over SProc.Net, during which interested suppliers will be able to submit Offers to provide the Services required. At the end of the tender, Haringey Council will normally award a Service Agreement for provision of the Services. The award will be to the supplier that best meets Haringey Council's requirements based on an evaluation of the Offers submitted. This process is more fully explained in the DPS Entry and Operation Guide – Part 2 (Requirements Process and DPS Management).

2.2 How to join the DPS

Suppliers who wish to join Haringey Council's DPS for supply of **Home Support Services** will need to show that they meet the Council's Entry Criteria by applying online at www.Sproc.net. It is a simple two-step application process consisting firstly of Registration and secondly of Accreditation and Enrolment.

Step-by-Step process to be completed online:

Step 1: Registration

You must register your business on the system (www.sproc.net). An email will then be sent to you with a username and password to access the system and complete the remaining two stages. To complete your registration, you will need to provide, at an absolute minimum, the following information:

- Full Business Name
- Trading Name (if different from above)
- Business Tax/VAT Number
- Charity Registration Number (Charities only)
- Company Registration Number (Companies only)
- SME status
- Unique Taxpayer Reference (UTR) Number (if a sole tenderer)
- Registered Business Address: line 1, City, County, Post Code
- Trading business address (if different from above)
- Telephone Number
- Email address

The business name you register will be the name shown on the system. You must then create your first administrative user by providing:

- First Name
- Last Name
- Job Title
- Email address

This user will be an administrator on the system and have the ability to create other users for your business at all additional locations you may have. For further details on how to complete this registration process, please see the Registration, Accreditation and Enrolment User Guide available at www.sproc.net in the Help Library.

The administrator will then receive a username and temporary password. Upon logging into SProc.Net, the administrator will be prompted to change the password.

Step 2: Accreditation and Enrolment

At the Accreditation and Enrolment stages, your business must show that you meet Haringey Council's Entry Criteria to be admitted onto the DPS as one of the Council's **Home Support Services** suppliers. You must do so by completing an Entry Submission (your application) by providing responses on SProc.Net to a series of questions and uploading documents to provide information about your organisation. The tables in sections 3.2 to 4.5 below set out a copy of the questions that a supplier will have to respond to when completing your Entry Submission on www.SProc.Net and they also indicate what documents you need to upload. Some questions will only have to be answered depending on the response to another question. The Entry Criteria you have to meet and how they are evaluated are also explained below in sections 3 and 4.

2.3 Entry Submission – notes for completion

2.3.1 In these notes for completing the Entry Submission, the “Council” means the public sector contracting authority, or anyone acting on behalf of the contracting authority, that is seeking to invite suitable Suppliers to join this DPS.

2.3.2 In these notes for completing the Entry Submission, “You”/ “Your” or “Supplier” means the body completing the Entry Submission i.e. the legal entity seeking to join the DPS and be invited to submit Offers to provide Services required and which is responsible for the information provided. The ‘Supplier’ is intended to cover any economic operator as defined by the Public Contracts Regulations and could be a registered company; charitable organisation; Voluntary Community and Social Enterprise (VCSE); Special Purpose Vehicle; or other form

of entity.

3. The Entry Submission to be completed has been designed to assess the suitability of a Supplier to deliver the Council's contract requirement(s). If you are successful at this Accreditation and Enrolment stage of the DPS process, you will be selected for the subsequent Requirements stage of the process.

4. Please ensure that all questions are completed in full on SProc.Net by creating and submitting an Accreditation and Enrolment via the tabs on the system and in the format requested. Failure to do so may result in your Entry Submission being disqualified. If a question does not apply to you, please state clearly 'N/A'.

5. Where you are required to upload documents, this should be done to the location and / or in the manner indicated further on in this document.

Verification of Information Provided

6. Whilst reserving the right to request information at any time throughout the DPS process, the Council may enable the Supplier to self-certify that there are no mandatory/ discretionary grounds for excluding their organisation. When requesting evidence that the Supplier can meet specified requirements the Council may only obtain such evidence after the decision on final evaluation of Offers i.e. from the winning Supplier only.

Sub-contracting arrangements

7. Where the Supplier proposes to use one or more sub-contractors to deliver some or all of the contract requirements, the supplier will be required to provide, in the relevant space for this on SProc.Net, details of the proposed bidding model that include members of the supply chain, and the percentage of work being delivered by each sub-contractor and the key contract deliverables each sub-contractor will be responsible for.

8. The Council recognises that arrangements in relation to sub-contracting may be subject to future change and may not be finalised until a later date. However, Suppliers should be aware that where information provided to the Council indicates that sub-contractors are to play a significant role in delivering key contract requirements, any changes to those sub-contracting arrangements might affect the ability of the Supplier to proceed with the DPS procurement

process or to provide the supplies and/or services required. Suppliers should therefore notify the Council immediately of any change in the proposed sub-contractor arrangements. The Council reserves the right to withdraw its acceptance of the Supplier onto the DPS prior to any award of a Service Agreement, based on an assessment of the updated information.

Consortia arrangements

9. If the Supplier completing the Entry Submission is doing so as part of a proposed consortium, the following information must be provided:

- names of all consortium members.
- the lead member of the consortium who will be contractually responsible for delivery of the contract (if a separate legal entity is not being created); and
- If the consortium is not proposing to form a legal entity, full details of proposed arrangements must be detailed in response to the question in SProc.Net.

10. Please note that the Council may require the consortium to assume a specific legal form if awarded a Service Agreement, to the extent that a specific legal form is deemed by the Council as being necessary for the satisfactory performance of the Service Agreement.

11. All members of the consortium will be required to provide the information required in all sections of the Entry Submission as part of a single composite response to the Council i.e. each member of the consortium is required to complete the Entry Submission.

12. Where you are proposing to create a separate legal entity, such as a Special Purpose Vehicle (SPV), suppliers will be required to provide details of the actual or proposed percentage shareholding of the constituent members within the new legal entity in the relevant space for this on SProc.Net.

13. The Council recognises that arrangements in relation to a consortium bid may be subject to future change. Suppliers should therefore respond based on the arrangements as currently envisaged. Suppliers are reminded that the Council must be immediately notified of any changes, or proposed changes, in relation to the bidding model so that a further assessment can be carried out by applying the Entry Criteria to the new information provided. The Council reserves the right to withdraw its acceptance of the Supplier onto the

DPS prior to the award of a Service Agreement, based on an assessment of the updated information.

Confidentiality

14. When providing details of contracts in answering question 31 in the Enrolment section of the Entry Submission (Technical and Professional Ability), the Supplier agrees to waive any contractual or other confidentiality rights and obligations associated with these contracts.

15. The Council reserves the right to contact the named customer contact in section 4.4 regarding the contracts included in question 31. The named customer contact does not owe the Council any duty of care or have any legal liability, except for any deceitful or maliciously false statements of fact.

16. The Council confirms that it will keep confidential and will not disclose to any third parties any information obtained from a named customer contact, other than to the Crown Commercial Service and/or contracting authorities defined by the Public Contracts Regulations.

3.0 Part 1 - Accreditation

At the Accreditation stage, the questions you will be required to provide responses to and documents you need to upload are grouped into the following sections: Supplier Information; Insurances; and Document Upload - Accreditation.

At the Accreditation stage, you will also be required to download and confirm your business's acceptance of a contractual document, the Supplier Agreement, that can be found at <http://demand.Sproc.net>.

The Supplier Agreement signs you up to the terms and conditions of transacting business with Haringey Council through the DPS and to delivering any Services required in accordance with the Council's Specification in the event that you are successful in being awarded work through the DPS.

The Supplier Agreement includes Self-Billing Procedure terms in Schedule 2. By accepting the Supplier Agreement, you will be agreeing to these terms including that you will submit weekly invoices (Service Receipts) to the Council via SProc.Net in relation to each Service Agreement you are awarded and to being paid by *adam* on behalf of Haringey Council.

You will need to accept the Supplier Agreement electronically via SProc.Net, by ticking the relevant box on the application, in order to proceed.

Your Accreditation submission on the questions in Section 3.3 (Insurances) will be assessed on a Pass / Fail basis.

Once you have done your Accreditation submission, you should move straight onto completing the Enrolment part of your application. However, moving onto the Enrolment part does not mean that you have passed the Accreditation stage.

In due course all suppliers will receive an email notification confirming whether your application has been approved.

If your application has been failed at the Accreditation stage, you will be notified by *adam* who will provide feedback to allow you to rectify any issues and reapply if appropriate.

Self-Certification – All organisations who have self-certified will be required to upload all supporting documentation upon request by the Council, which will be reviewed prior to any Service Agreement/s being awarded for any Services through the DPS.

4.0 Part 2 – Enrolment

At the Enrolment stage, you will need to provide responses to a series of questions and upload documents in SProc.Net relating to the supplier's capabilities. The Council will use

the responses and documents provided to assess the capability of your organisation to provide **Home Support Services** to the Council.

Upon commencement of the Enrolment section, you will be required to select which of the Service Categories you can provide services for and you will want to receive requirements for. Further information regarding the selection of Service Categories is set out at section 1.0 above.

Once you have selected from the above Service Categories, you will then need to submit answers to questions and documents under the following sections: Grounds for Mandatory Exclusion, Grounds for Discretionary Exclusion, Economic and Financial Standing, Project Specific Questions on Technical and Professional Ability (Trade Registration, Compliance with Legislation, Experience Statements and Document Upload - Enrolment.)

Please note that you are permitted to upload a completed European Single Procurement Document (see question Enrolment question 1 at section 4.1) instead in submitting answers and documents required in response to any or all of Enrolment questions 2 to 30 inclusive provided that the response and/or document for the relevant Enrolment question is provided in the completed European Single Procurement Document.

4.1 Grounds for Mandatory Exclusion

A supplier will be excluded from becoming or continuing to be an approved supplier if there is evidence of convictions relating to specific criminal offences including, but not limited to, bribery, corruption, conspiracy, terrorism, fraud and money laundering, or if you have been the subject of a binding legal decision under the laws of your organisation's country of establishment or of any UK jurisdiction which found a breach of legal obligations to pay tax or social security obligations (except either, on an exceptional basis, for overriding reasons relating to the public interest such as public health or protection of the environment or where an exclusion is disproportionate e.g. only minor amounts involved).

Any supplier that answers 'Yes' to questions 2, 4, 6, 8 10 or 12 below should provide, in the relevant space for this on SProc.Net, sufficient evidence that provides a summary of the circumstances and of any remedial actions that it has taken which are sufficient to demonstrate its reliability as a supplier despite the conviction in question. The supplier has to demonstrate it has taken such remedial action to the Council's satisfaction in each case.

If such evidence is considered sufficient by the Council (whose decision will be final), the supplier concerned shall be allowed to continue in the DPS process.

In order for the evidence referred to above to be sufficient, the supplier shall, as a minimum, prove that it has:

- paid or undertaken to pay compensation in respect of any damage caused by the criminal offence or misconduct.
- clarified the facts and circumstances in a comprehensive manner by actively collaborating with the investigating authorities; and
- taken concrete technical, organisational and personnel measures that are appropriate to prevent further criminal offences or misconduct.

The measures taken by the supplier shall be evaluated taking into account the gravity and particular circumstances of the criminal offence or misconduct. Where the measures are considered by the Council to be insufficient, the supplier shall be given a statement of the reasons for that decision.

If you answer 'Yes' to question 12 below on the non-payment of taxes or social security contributions, and have not paid or entered into a binding arrangement to pay the full amount, you may still avoid exclusion if only minor tax or social security contributions are unpaid or if you have not yet had time to fulfil your obligations since learning of the exact amount due. If your organisation is in that position, please provide details in the relevant section for this on SProc.net.

4.2 Grounds for Discretionary Exclusion

The Council may exclude any supplier who answers 'Yes' to questions 14, 16, 18 or 20 below. Any supplier that answers 'Yes' to questions 14, 16, 18 or 20 below should provide, in the relevant space for this on SProc.Net, sufficient evidence that provides a summary of the circumstances and of any self-cleaning measures that it has taken which are sufficient to demonstrate its reliability as a supplier despite the situation in question. The supplier has to demonstrate it has taken such remedial action to the Council's satisfaction in each case.

If such evidence is considered sufficient by the Council (whose decision will be final), the supplier concerned shall be allowed to continue in the DPS process.

In order for the evidence referred to above to be sufficient, the supplier shall, as a minimum, prove that it has:

- paid or undertaken to pay compensation in respect of any damage caused by the criminal offence or misconduct.
- clarified the facts and circumstances in a comprehensive manner by actively collaborating with the investigating authorities; and
- taken concrete technical, organisational and personnel measures that are appropriate to prevent further criminal offences or misconduct.

The measures taken by the supplier shall be evaluated taking into account the gravity and particular circumstances of the criminal offence or misconduct. Where the measures are considered by the Council to be insufficient, the supplier shall be given a statement of the reasons for that decision.

4.6 EVALUATION METHODOLOGY – ENROLMENT

4.6.1 Grounds for Mandatory and Discretionary Exclusion

This area is assessed on a Pass / Fail basis in accordance with the evaluation approach set out in sections 4.1 and 4.2. Essentially Suppliers will be excluded where they answer yes to the questions under the section setting out the grounds for mandatory exclusion and they may be excluded where they answer yes to the questions under the section setting out the grounds for discretionary exclusion unless they give explanations that satisfy the Council that they

have taken adequate remedial action.

4.6.2 Finance

To assess your organisations financial viability a credit check will be undertaken. Any organisation that has a Delphi Score of High, maximum, or undetermined risk will have a full evaluation undertaken in accordance with the criteria set out below.

A full financial assessment in accordance with the criteria below may also be carried out in the following instances:

- A. During the monitoring process a significant change occurs to an organisations financial standing
- B. If over the course of the DPS, a supplier has five or more placements at any one time.

4.6.2.1 This section will be completed based on a risk analysis of financial information provided by the supplier.

The financial information provided will be evaluated in a number of ways. It will be used to calculate a number of financial ratios for evaluating the financial well-being of your organisation and of the organisations seeking to be involved in tendering for Service Agreements with your organisation.

4.6.2.2 Your submitted information will be assessed using the following criteria:

4.6.2.2.1 Where the preferred provider is a subsidiary of a parent company (and will be providing a parent company guarantee) or is a member of a consortium, then all of the information requested in, this section is required from both the bidder and the parent company or from each consortium member. Please note that the Financial Statements of the bidder company, parent company and all consortium members are to be provided where applicable.

4.6.2.2.2 If you are applying as a consortium and/or propose to sub-contract any material part of the provision of the services under the Contract, each consortium member (in the case of a consortium bid) and material sub- contractor (in addition to the potential supplier, in the case of a prime contractor/sub-contractor arrangement) will be required to submit its financial information, which

will then be assessed in line with the evaluation criteria set out below. The Council reserves the right to exclude the Potential supplier (and so exclude all members of the relevant consortium/both the prime contractor and its sub-contractors) from further participation in this procurement process where (in the case of a consortium bid) any consortium member fails the financial assessment or (in the case of any prime contractor/sub-contractor arrangement) either the Potential supplier as prime contractor or any material sub-contractor fails the financial assessment.

A financial assessment that results in a score of 15 or below will be referred for further review at which your organisation may be required to submit supplementary information.

A decision as to whether your organisation Pass or Fail will be at the sole discretion of the Council. A fail will result in your organisation being eliminated from the process.

Score	Outcome
0-15	Fail
16-40	Pass

Note: Potential suppliers are advised to check their credit report with Experian for any inaccuracies that can be rectified before the Council obtains the report for financial evaluation.

If credit report is unavailable, the Council's Finance Team will carry out assessment based on risk analysis of overall financial statements supplied by the potential suppliers and will apply the scores accordingly.

NHS Trusts, local authorities and public sector organisation tendering for the contract will be treated as government organisations for the purposes of credit scoring and will be awarded maximum points allocated for credit scoring.

4.6.2.3 Established companies set up for longer than 3 years

Please refer to paragraph 4.6.2.1 to 4.6.2.7. for evaluation methodology.

- 4.6.3.4 Fail - The potential supplier states 'Yes' in response to question 72 or question 75 but fails to provide the relevant information, upon request by the Council.
Or
the potential supplier states 'Yes' in response to question 72 but states 'No' in response to question 75 or vice versa and has not provided a sufficient explanation.

4.7 Project Specific Questions on Technical and Professional Ability

The details below stipulate the requirements that constitute a Pass / Fail for each of the following subsections.

4.7.1 Trade Registrations

This part of the evaluation is Pass / Fail

A Suppliers' CQC rating, in line with inspection regulations will be used as part of the admission criteria for getting on to the DPS. Inspection ratings below 'good' and 'outstanding' will be a Fail.

Suppliers with no inspection score

New Company:

Where a new supplier is registered with the CQC, is not inspected, but achieves a pass mark on the enrolment evaluation, the Council will approve the enrolment and place the enrolment on suspension. This suspension will remain in force until a CQC inspection has taken place and the rating of 'good' or 'outstanding' is obtained.

Change of address:

If a supplier changes location and holds a previous score of Good or Outstanding, the decision to pass or fail this supplier will be at the discretion of the Council.

4.7.2 Compliance with Legislation

This part of the evaluation will be on a Pass/Fail basis.

4.7.3 Equalities Questions

If you answer 'Yes' to these questions you may be excluded if you are unable to demonstrate to the Council's satisfaction that appropriate remedial action has been taken to prevent similar unlawful discrimination reoccurring.

The question regarding whether an organisation has processes in place to check the position in relation to subcontractors shall not be evaluated.

4.7.4 Environmental Management Questions

The Council will not select any supplier(s) that have been prosecuted or served notice under environmental legislation in the last 3 years, unless the authority is satisfied that appropriate remedial action has been taken to prevent future occurrences/breaches.

4.7.5 Health and Safety Questions

The Council will exclude any supplier(s) that have been in receipt of enforcement/remedial action orders unless the bidder(s) can demonstrate to the Council's satisfaction that appropriate remedial action has been taken to prevent future occurrences or breaches.

4.7.6 Policies and Procedures (Health and Safety and Safeguarding)

All organisations must self-certified that they have their own policies that meet the criteria (set out in questions 46 and 47 respectively) will be required to upload all supporting documentation upon request by the Council, which will be reviewed prior to any contract/s being awarded for any services via the DPS. The evaluation matrix set out in section 4.6.3.4 would then be used to assess the policy documents and any supplier whose policy scores two

or below will fail this part of the Enrolment process and would not be awarded any contract/s via the DPS.

4.7.6.1 Quality Assurance Spot checks

Commissioning will spot check policies as part of their Quality Assurance process, any policy submitted as part of an enrolment that raises concerns to the quality of service delivery the Commissioning team will undertake a full review. If, as part of the review the Council deem the policy to be inadequate or identify potential risk to service users, the Council reserves the right to suspend a supplier from receiving further requirements. The suspension will be lifted once LBH are satisfied the Policy has been updated in accordance with actual services delivered and there is no associated risk to service users.

4.7.7 Experience Statements

The Experience Statements supplied will be evaluated using the evaluation matrix set out in section 4.7.8

A minimum Pass Mark of 70% out of a total 100% for the Experience Statements is required; Suppliers who do not achieve the minimum Pass Mark will not be admitted onto the DPS

The score will be converted to a percentage using the formula below,

$$\frac{\text{Experience Statement weight-adjusted score}}{\text{maximum weight-adjusted Score}} \times 100\% = \text{Pass Mark}$$

Example: maximum weight-adjusted score = 500

Tender A obtains a weight-adjusted score of 350 out of 500, so receives a Pass Mark of:

$$350/500 \times 100 = 70\%$$

Haringey Council reserves the right to request additional information which may be required as a result of the answers and information provided in the Experience Statements.

4.7.8 Evaluation Matrix

5. Next Steps

For fuller details on how to create and submit your Enrolment information, please see the Registration, Accreditation and Enrolment User Guide available at www.sproc.net in the Help Library and at <http://demand.sproc.net>.

Once your Enrolment submission has been reviewed by Haringey Council against the Enrolment evaluation criteria set out in the Evaluation Methodology above, you will receive an email notification confirming whether your application has been approved.

If you are rejected at the Enrolment stage, you will not be able to reapply to enter the DPS within a period of 6 months from the date the feedback is given on rejection. This is to ensure that your business has enough time to implement and embed the requirements set out in the feedback for rejection in the first instance.

6. Draft Accreditations and Enrolments

All draft Accreditations or Enrolments longer than 6 months will be cancelled and you will then be required to submit a fresh application.

7. Temporary Category: Covid-19 Resilience

New temporary category to support Home support taking into consideration the demand due to Covid-19. This will allow for resilience and will not affect the current commissioning process where we will commission in the first instance.
