When applying for membership of the DPS, potential suppliers will be invited to select which options within each of the Service Category Characteristics they wish to apply for. There is no limit on the number of options that a supplier may choose – this is entirely at the discretion of the supplier so a supplier may choose to apply for all Service Category Characteristics. Suppliers that are appointed to the DPS will be appointed to the ServiceCategory/Categories as determined by their selections in relation to the Service Category Characteristics.

When a contract is being awarded under the DPS, the council shall select which Service Category applies to that contract, and the suppliers that are registered to the relevant Service Category shall be invited to submit an offer.

The contracts to be awarded under this DPS will be subject to the "light touch regime" under sections 74 to 76 of the Public Contracts Regulations 2015 (the "2015 Regulations"). Accordingly the full scope of the 2015 Regulations do not apply. Nothing in this OJEU Notice or any other document issued during the procurement process (which refers to the process regarding admission to the DPS, to the award of contracts under the DPS or otherwise) shall be taken as acceptance that the full scope of the 2015 Regulations applies nor is it intended

to create any contract (express or implied) that Haringey is conducting the procurement in accordance with the full scope of the 2015 Regulations. In particular, and without prejudice to the generality of the above, although the dynamic purchasing system that is being procured is modelled on a dynamic purchasing system under regulation 34 of the Public Contracts Regulations 2015, Haringey is not bound by regulation 34 in relation to the establishment and operation of the dynamic purchasing system.

The following contracting authorities shall also be permitted to award contracts under the DPS for the provision of services in its own geographical area upon entering an access agreement with Haringey:

- The following local authorities: London Borough of Barking & Dagenham, London Borough of Barnet, London Borough of Bexley, London Borough of Brent, London Borough of Bromley, London Borough of Camden, London Borough of Croydon, London Borough of Ealing, London Borough of Enfield, Royal Borough of Greenwich, London Borough of Hackney, London Borough of Hammersmith and Fulham, London Borough of Harrow, London Borough of Havering, London Borough of Hillingdon, London Borough of Hounslow, London Borough of Islington, Royal Borough of Kensington and Chelsea, Royal Borough of Kingston upon Thames, London Borough of Lambeth, City of London, London Borough of Lewisham, London Borough of Merton, London Borough of Newham, London Borough of Redbridge, London Borough of Richmond upon Thames, London Borough of Southwark, London Borough of Sutton, London Borough of Tower Hamlets, London Borough of Waltham Forest, London Borough of Wandsworth, London Borough of Westminster; and
- Any local authority in the following counties: Hertfordshire, Essex, Bedfordshire and Berkshire

In the event that any such local authority awards a contract under the DPS then such contract may include services procured by that local authority on behalf of the North Central London Clinical Commissioning Group (NCL CCG) with responsibility for the relevant service user.
