

FAQ Document

Supported Accommodation for Young People Milton Keynes Council

January, 2024

Question	Question	Answer
No.		
1	Will the Service Specification for	As it's intended that all Supported
	those on the current framework,	Accommodation placements will be
	and the costings previously	commissioned via the DPS by
	submitted remain the same on the	October 2023, the Council
	new DPS, or do these need to be	anticipates that all current
	re-submitted as part of this	Framework Providers will, having
	process?	reviewed the published Service
		Specification and related
		documents, choose to apply to join
		the DPS. For all placements
		commissioned via the DPS, the
		provider will need to set out their
		Offer price in response to the
		referral. Costings previously
		provided by Framework Providers
		will not apply in these
		circumstances.
		Existing placements with
		Framework Providers will continue
		to be paid at the previously agreed
		price.
2	We have not been inspected by	CQC registration is not a
	CQC yet, can we still register?	requirement for this opportunity. All
		providers on the DPS must however
		register/commit to registering with
		Ofsted as per the regulatory
		guidance for Supported
		Accommodation providers.
3	Must we have Ofsted registration	All providers on the DPS must
	to be approved?	register/commit to registering with

		Ofsted as per the regulatory
		guidance for Supported
		Accommodation providers. Current
		guidance suggests that providers
		will have from April to October 2023
		to complete the Ofsted registration
		process.
4	Hi there, is an actual ITT and a full	The Service Specification for the
	spec available for the DPS please?	Supported Accommodation for
	If so, will that be available on the	Young People DPS is available to
	adamproviders.co.uk website?	view on the adamproviders.cp.uk
		site>
		https://adamproviders.co.uk/milton-
		keynes-city-council-supported-
		accommodation-for-young-people.
		There is no ITT in the traditional
		sense, as it is replaced by the
		Accreditation and Enrolment
		process that interested providers
		will need to complete to join the
		DPS.
5	We are already registered with	CQC registration is not a
	CQC (rating is Good), do we have to	requirement for this opportunity. All
	also register with Ofsted?	providers on the DPS must however
		register/commit to registering with
		Ofsted as per the regulatory
		guidance for Supported
		Accommodation providers.
6	Also, will prices need to submitted	Providers are able to view individual
	in response to individual referrals?	referrals (Requirements), setting out
		the support needs of the young
l	1	

Person to be placed, on the DPS.Having determined that the needs can be met the Provider will be required to submit an Offer price.As young people's support needs vary, it's anticipated that the price offered by providers will vary from one referral to another referral.7We previously attempted to register on SProc.Net, but were not accepted because we haven't yetAs the enrolment requirements are specific to Supported

	Autism and Learning	through their
	needs/difficulties - how would this	Enrolment.
	be highlighted in the system to	The Council doesn't plan to
	placement team?	commission specialist provision
		through DPS, as this is not currently
		provided for in the government's
		regulatory requirements.
		Nonetheless, any particular needs
		i.e. learning difficulty, disability,
		behavioural challenges, will be set
		out in the referral (Requirement
		distributed to Providers via the DPS.
11	Q33 - how should we answer this Q	Prior to October, 2023:
	pre Ofsted registration?	Answer all Ofsted questions with a
		'Yes' to demonstrate that your
		company commits to obtaining the
		required Ofsted registration when
		the regulatory requirement takes
		effect later this year.
		-

		Post October, 2023: Answer all Ofsted questions as is
		true for your company, having
		already gone through the Ofsted
		registration and/or inspection
		process.
12	Is there any ranking of suppliers on	There is no ranking at the point of
	registration?	enrolment. What will be checked is
		if the provider meets the criteria set
		by the Council (which are specified
		in the Application Guide). Having
		first demonstrated that they meet
		the Council's requirements as
		relates to quality, and other needs,
		providers will be ranked at the point
		that the Requirement closes for
		Offers.
13	What is the criteria for awarding	The criteria for awarding Service
	packages/contracts?	Agreements is based on quality and
		price. All providers that successfully
		enrol on the DPS will have already
		demonstrated that they meet the
		essential quality criteria. The
		Council's Quality and Compliance
		will also conduct site visits to
		providers to check that the
		information provided on their
		Enrolment(s) is correct. When a
		Requirement is sent out for a
		particular placement, providers will

		be informed of the particular
		needs/features of the young
		person. Here, interested providers
		will need to be able to demonstrate
		that they can provide the specific
		services required at a competitive
		price, which will be ranked by the
		Council against all other provider
		submissions. Provided that there
		are no 'matching' issues arising, the
		Provider ranked first will be
		awarded the Service Agreement for
		the placement
14	What would the evaluation of a	Applications to join the DPS are
	supplier be based on?	evaluated on the basis of the
		responses provided by the Provider
		in completing the enrolment, a
		financial risk assessment and a site
		visit undertaken by the Council's
		Quality & Compliance Team.
		Offers received in response to a
		referral (Requirement) for a
		particular placement are evaluated
		on the basis of the Provider's ability
		to meet the specific needs of the
		young person and the price quoted.
15	l didn't see any quality questions.	Applicants must respond to an
	How will you quality check	extensive set of self-assessing
	providers?	quality questions during the
		Enrolment process. Following
		successful completion of the
L		1

		Accreditation and Enrolment, Milton
		Keynes City Council will not place
		any individuals with a provider until
		their properties have been visited
		and validated by a member of the
		Council's Quality & Compliance
		Team. The purpose of the visit is to
		view the property and verify the
		answers provided by providers in
		the enrolment process. These
		inspections will act as a final
		checkpoint as to a provider's
		suitability to join the DPS.
16	Will there be a set split of quality	Providers are not required to
	and price i.e. 60/40?	submit prices as part of the
		enrolment process. For Offers
		received from Providers in response
		to a referral (Requirement) for an
		individual placements there will be
		a set split (60% client review and
		40% price).
17	Are providers required to do the	Yes, providers will need to be able
	insurance in advance before	to evidence the required insurances

uploaded automatically? to provide any of the same
documents as are on the Supported
Accommodation for Young People
A&E, then you will not have to
upload these documents again
when you go through the new A&E
process. Please note that this will
only be the case where said
documents are valid, i.e., where

		they have not expired on your
		existing A&E.
26	Can we add properties as we move	Providers can apply to join the DPS
	forward. As we are not in MK but	at any point during its lifetime. i.e.
	work with 26 LA's and would be	between now and 2028. Providers
	happy to find services in a suitable	are not be precluded from joining
	location within MK?	the DPS based on the proximity of
		their properties to Milton Keynes.
		Whilst, in most cases, the Council
		endeavours to place young people
		as 'close to home' as possible, on
		occasion it may be in the young
		person's best interest to be placed
		further afield. On enrolment
		Providers can select one or more of
		3 geographical areas in which they
		can deliver services. This can be
		updated at any time during the life
		of the DPS if and when a Provider
		secures additional properties in an
		area not initially selected.
27	Is this for adults with providers	The Supported Accommodation for
	who support learning disabilities?	Young People DPS is for children
		and young people aged between
		16-25, not adults aged over 25.
28	Can you please advise on the price	Any price uplift will usually be
	uplift mechanism that will be used	approved through the Council's
	for placements made under the	annual budget setting process.
	terms of this DPS?	
29	The Ts & Cs seem to state that	Generally, for a 'simple contract' (i.e.
	insurance must be maintained for	one which is not under seal) the

	12 years after expiry or	limitation period is 6 years, however
	termination. Many other	for a speciality contract (i.e. one
	frameworks we make placements	which is under a seal) and executed
	with require six years rather than	as a Deed, the limitation period is
	12. Would the council consider	12 years.
	amending the period to six years	
	please?	The DPS Supplier Agreement as currently drafted; and in line with the Council's Contract Procedure
		Rules shall be executed and
		delivered as a DEED under the seal
		of the parties. Under the
		circumstance, the 12 year limitation
		period applies and will not be
		amended.
30	Is there a minimum number of	The services required are to be
	rooms that providers need to have	provided in shared accommodation
	per accommodation, e.g., could	with no more than residents.
	she invest in one-bedroom flats?	Currently, the Council doesn't
		anticipate commissioning solo
		placements via the DPS.
31	What is the minimum number of	An HMO License is required when 5
	occupants they can have per	or more people from different
	accommodation before requiring a	households are living within one
	HMO license?	property.
