MLCSU – Care at Home (Liverpool) Application Guide

Midlands and Lancashire Commissioning Support Unit ('MLCSU') are working with *adam* HTT Ltd to implement a new Payment and Contract Management system on behalf of Liverpool CCG.

All Domiciliary Providers required to join the system for Payment and Contract Management purposes will need to complete an Accreditation and Enrolment (A&E) for Midlands and Lancashire Commissioning Support Unit's Care at Home (Liverpool) category on www.SProc.Net.

This document will cover the following:

- Registration – applicable for providers new to SProc.Net
 - Adding users
 - Adding locations
- Accreditation – information required
- Enrolment – information required
- Next steps

How to join SProc.Net

The step-by-step process to be completed online is as follows:

Please note that if either the Accreditation or the Enrolment is failed by the *adam* team, the provider will receive feedback so amendments can be made. Equally, if the Accreditation or Enrolment is failed, the Provider will receive feedback from *adam* so that amendments can be made.

If rejected, the Provider will receive feedback from Midlands and Lancashire Commissioning Support Unit so that amendments can be made. Typically, the cycle of these steps will take a maximum of 10 working days.

Registration

Register

You must register your company on the system (<https://www.sproc.net>). If your office/facility/business is part of a larger parent group, then the registration must be completed at Head Office level. The below shows what is required:

- Business name
- Registered trading name (if different from the above)
- Business tax/VAT number
- Charity registration number (charities only)
- Company registration number (companies only)
- SME status
- Registered business address (Address line 1, City, Postcode etc.)
- Telephone number
- Email address

Add a system user

Once the company details have been filled in, you will then need to create a System User which will require the following:

- First name
- Last name
- Job title
- Email address

Once the above fields have been completed and the first User has been created, they will receive a username and temporary password. Upon logging into SProc.Net, the User will be prompted to change their password. The User will have the ability to add other company users on the system through the 'Admin' tab.

Add a location

If your organisation has multiple locations or offices, it is possible to add these additional locations once the company has been registered.

To add a location, go to the admin tab > My Company > Locations > New, and then follow the steps to fill in the details for the location. This will include:

- Location display name
- Address

Accreditation & Enrolment

The Accreditation and Enrolment contains the selection criteria to join the Payment and Contract Management system. The tables below show the questions that the Provider will have to respond to. Some questions will only have to be answered depending on the response to a previous question.
