## NHS Lancashire & South Cumbria ICB - Application Guide

NHS Lancashire & South Cumbria ICB will be working with Access Adam to implement a new DPS for Nursing Homes. All providers/suppliers wishing to join this DPS will need to complete an Accreditation and Enrolment (A&E) on the new DPS to receive Requirements through SProc.Net.

- This document will cover the following:
  - Registration – applicable for providers new to SProc.Net
  - Adding users
- Adding locations
- Accreditation – information required
- Enrolment – information required
- Next steps

### How to join SProc.Net

The step-by-step process to be completed online is as follows:

Please note that if either the Accreditation or the Enrolment is failed, the supplier will receive feedback from *adam* so amendments can be made (where possible). Equally if the Enrolment is Rejected by Lancashire & South Cumbria ICB, the provider will receive feedback so amendments can be made (where possible). Typically, the cycle of these steps will take a maximum of 10 working days.

## Registration

### Register

You must register your business on the system (<https://www.sproc.net>). If your office/facility/business is part of a larger parent group, then head office should register on SProc.Net. The below shows what is required:

- Business name
- Registered trading name (if different from the above)
- Business tax/VAT number
- Charity registration number (charities only)
- Company registration number (companies only)
- SME status
- Registered business address (Address line 1, City, Postcode etc.)
- Telephone number
- Email address

### Add a system user

Once the company details have been filled in, you will be taken to a page to create a system User for head office which will require the following:

- First name
- Last name
- Job title
- Email address

Once the above fields have been completed and the first User has been created, they will receive a username and temporary password. Upon logging into SProc.Net the User will be prompted to change their password. The User will have the ability to create other Users for their organisation.

### Add a location

If your organisation has multiple locations or offices, it is possible to add these additional locations once the company has been registered.

To add a location, go to the Admin tab > My Company > Locations > New, and then follow the steps to fill in the details for the location. This will include:

- Location display name
- Address
