- II.2.4) **Description of the procurement:**  
The Council is seeking to re-establish a Dynamic Purchasing System (DPS) to award individual service agreements for the provision of home care services to residents. Organisations who have registered offices with the Care Quality Commission (CQC) will have the opportunity to tender to provide home care services to individuals aged 18 and over with a council-assessed care need.  
The DPS is intended as an additional referral route for the Council's existing contractual arrangements – the DPS will be used where a suitable provider cannot be found via the current contract. The Council reserves the right to amend this referral route as required. Providers will be subject to quality checks and Key Performance Indicators as part of their service delivery.  
Providers will be required to deliver the services detailed in the specification in line with the service user's care and support requirements. The Council reserves the right to amend and introduce additional Key Performance Indicators (KPIs) throughout the life of the contract, including by not limited to KPIs relating to service user outcomes and additional compliance. This lot also includes the provision of Continuing Healthcare (CHC).
