Cardiff Council - Application Guide for Payments Only Enrolments

Cardiff Council will be working with *adam* HTT Ltd to implement a new Dynamic Approved Provider List (DAPL) for Care Home Services for Older People & Older People requiring Mental Health Support. The system will be used to enable an end-to-end process to manage all requirements that Cardiff Council has for Residential and/ or Nursing Care for Older People & Older People requiring Mental Health Support, from sourcing through to payment.

In addition, the system will be used to process **all** payments for other categories of Residential & Nursing Care Commissioned by the Council. If you wish to join the DAPL and also provide services to individuals from other client groups (i.e. those with Learning or Physical Disabilities) please see section 2.1 "Adding Service Categories" for more information

Please note that the information in this document only refers to the onboarding process for companies who select a PAYMENTS ONLY service category. If you would like to review the onboarding criteria for the Mental Health Service for Older Persons and Older Persons, you can find that Application Guide at Demand.SProc.net/client. Please note if you select one PAYMENT ONLY category and either the Mental Health Service for Older Persons or Older Persons then your Application will be reviewed in line with the criteria set out in the Application Guide for Mental Health Service for Older Persons and Older Persons.

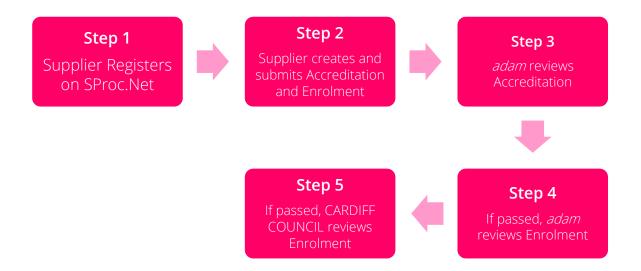

This document will cover the following:

- Registration applicable for Providers new to SProc.Net
 - Adding Users
 - Adding Locations
- Accreditation information required
- Enrolment information required
- Reasons you may fail to onboard to this DAPL
- Next Steps

How to join SProc.Net

The step-by-step process to be completed online is as follows:

Please note that if either the Accreditation is failed or the Providers fail to submit the correct documentation that is requested as mandatory documents you will not be able to complete the onboarding process – in these cases, you will be notified within the system. The Enrolment will not be rejected by the council on the basis all your documentation is uploaded correctly. If you fail to upload the correct documentation you will be advised of this through the system. Due to the number of applications that will be reviewed the feedback may not always be detailed. Typically, the cycle of these steps will take a maximum of 10 working days.

2.1 Adding Service Categories

The Service Categories below show a breakdown of the services which Cardiff Council includes under the Care Homes DAPL Category.

You will need to select all the Service Categories which apply to your organisation, so that you can later receive the relevant notifications. These are:

Service Category	
Older People	
Mental Health Services for Older People over 65	
PAYMENTS ONLY – Drug and Alcohol	
PAYMENTS ONLY – Mental Health under 65	
PAYMENTS ONLY - Learning Disabilities	
PAYMENTS ONLY - Neuropsychiatry	
PAYMENTS ONLY – Physical Disability	
PAYMENTS ONLY – Older Persons (Historic)	
PAYMENTS ONLY – Mental Health Services for Older Persons Over 65 (Historic)	

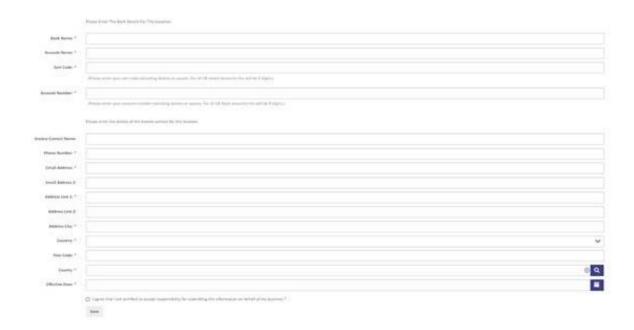

Please note: You will not be scored for quality if you <u>only</u> select the PAYMENTS ONLY categories. If you would like to know how your organisation will be evaluated for the Older People or Mental Health Services for Older People over 65 categories please see the Application Guide for these categories on that can be found at https://demand.sproc.net/Clients under the Care Homes DAPL Category tab. If you select, either the Older People or Mental Health Services for Older People over 65 and a Payments Only category your application will be scored in line with those categories. If you fail to meet the onboarding threshold you will be accepted for your payments only category only.

As you are applying as a Payment Only Provider, you will be expected to answer question 94 as 'no'. Therefore all questions following 94 that are triggered by answering this question 'Yes' will not apply to you.

2.2 Adding Bank Details

You will be required to enter your Bank Details for payment purposes – the entry fields can be seen below and you will be asked for details such as your Bank's name, the account holder's name and your account number.

Quality Review Criteria

As you are only onboarding to the SProc.Net system to receive payment for the services that you deliver, the information requested within this onboarding criteria is for information only at this point. If you were to update your Enrolment in the future and select one of the non-payment only categories your Enrolment, we will seek additional information in relation to your Care Home and will evaluate your submission in line with the Quality Criteria. For more information about how the Council will score the quality element of your submission please see the Application Guide For Providers of Residential and/or Nursing Care to Older People, & Older People requiring Mental Health Support. If you select a PAYMENTS ONLY category and either the Older Persons and/ or Mental Health Services for Older Persons category your Enrolment will be quality assessed.

Next Steps

Following submission, the Accreditation and Enrolment will be reviewed by *adam* and then passed to Cardiff Council Officers final acceptance. System notifications are issued following each review stage to advise if the application has been Approved.
