

# DPS Entry and Operation Guide Part 1 - DPS Overview, Entry Criteria and Evaluation Methodology

## 1.0 Introduction

The London Borough of Haringey (“Haringey Council” or “the Council”) has worked with *adam* to introduce a web-based system, AdamProcure.co.uk, to manage the Council’s Dynamic Purchasing System (DPS). The Council will use this system for the procurement of Supplies for the Council’s Parks and Leisure department.

**Supplies refers to:**

**Arboricultural Supply**

**Horticultural Supply**

**Play Equipment**

**Parks Equipment**

This DPS Entry and Operation Guide, which consists of 2 Parts, will give you as a potential supplier an overview of what a DPS is and will outline the Entry Criteria you must meet to join the DPS and the evaluation methodology the Council will use to assess your capability to deliver Supplies to the Council. It will also explain how the Council will manage their procurement and invoicing processes using AdamProcure.co.uk.

## 2.0 What is a DPS?

A DPS is a completely electronic system established by a contracting authority to purchase commonly used goods, works or services. It is governed by Regulation 34 of the Public Contract Regulations.

A DPS does not operate in the same way as a contract/framework in that it is an ‘open market’ product designed to provide access to a pool of suppliers or supply base which can be constantly refreshed. Interested suppliers will have to apply to be admitted to the DPS.

When the contracting authority needs to procure specific services, it will then follow a further bidding process amongst the suppliers admitted to the DPS in order to award a contract (called an Agreement) to provide the services.

## **2.1 How the DPS works**

A supplier that wishes to provide Supplies to Haringey Council will have to join the DPS by registering and by submitting Accreditation and Enrolment information (an Entry Submission) online via [www.adamProcure.co.uk](http://www.adamProcure.co.uk).

As part of the Accreditation and Enrolment process, the Supplier will be required to indicate for which of the Service Categories shown in section 4 below it is able to provide services.

The Supplier's Entry Submission will then be evaluated to establish the supplier's general capability offering against a number of pre-set selection criteria, the Entry Criteria.

The Accreditation and Enrolment process will encompass the evaluation of suppliers' capability (financial and technical) to provide the services described in Haringey Council's Specification (the Services), which can be viewed at <http://demand.sproc.net/Clients>, against the Entry Criteria which will be evaluated on a pass / fail basis or such other basis as is explained further below.

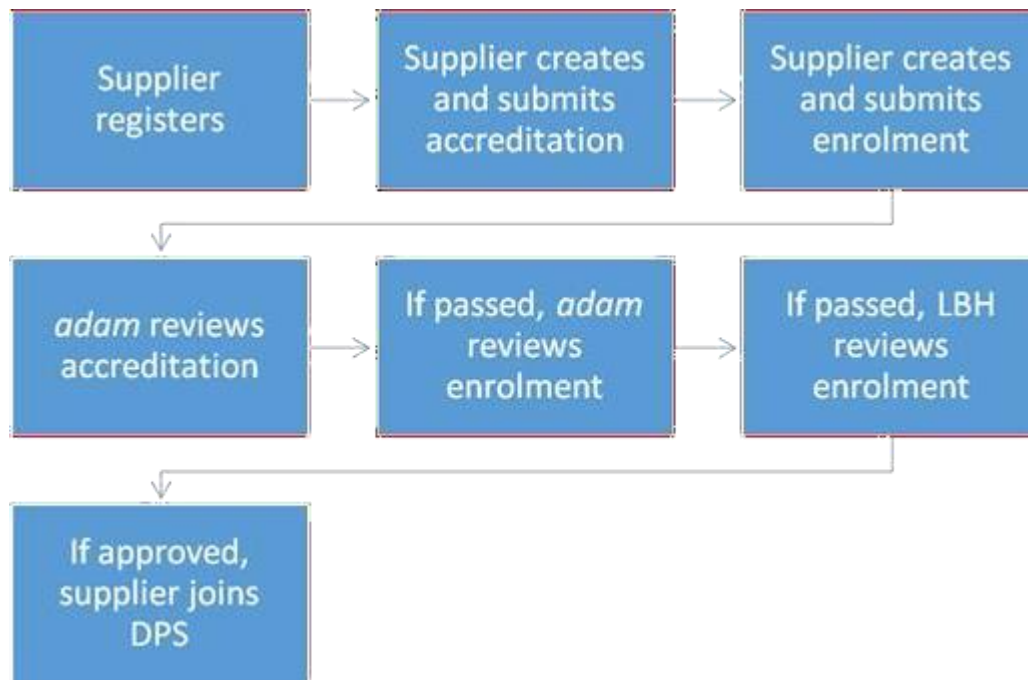

All successful and unsuccessful suppliers will be notified of the outcome of the evaluation of their Entry Submissions applying for Accreditation and Enrolment. A supplier will either be accepted onto the DPS or rejected and provided with feedback in order to enable it to re-apply at a later date should it wish to do so. The feedback to unsuccessful suppliers will outline the areas in which they need to make improvements in order to submit a successful Entry Submission in the future. The process of applying to join the DPS is explained further in a step by step manner below.

From time to time, when Haringey Council requires specific Supplies it will notify suppliers accepted onto the DPS of the opportunity and will run a tender over AdamProcure.co.uk, during which interested suppliers will be able to submit Offers to provide the Services required. At the end of the tender, Haringey Council will normally award an Agreement for provision of the Services. The award will be to the supplier that best meets Haringey Council's requirements based on an evaluation of the Offers submitted. This process is more fully explained in the DPS Entry and Operation Guide – Part 2 (Requirements Process and DPS Management).

## **2.2 How to join the DPS.**

Suppliers who wish to join Haringey Council's DPS for supply of Supplies will need to show that they meet the Council's Entry Criteria by applying online at [www.adamProcure.co.uk](http://www.adamProcure.co.uk). It is a simple two step application process consisting firstly of Registration and secondly of Accreditation and Enrolment.

Step by Step process to be completed online:

#### Step 1: Registration

You must register your business on the system ([www.adamProcure.co.uk](http://www.adamProcure.co.uk)). An email will then be sent to you with a username and password to access the system and complete the remaining two stages. To complete your registration, you will need to provide, at an absolute minimum, the following information:

- Full Business Name
- Trading Name (if different from above)
- Business Tax/VAT Number
- Charity Registration Number (Charities only)
- Company Registration Number (Companies only)
- Unique Taxpayer Reference (UTR) Number (if a sole tenderer)
- SME status

- Registered Business Address: line 1, City, County, Post Code
- Trading business address (if different from above)
- Telephone Number
- Email address

The business name you register will be the name shown on the system. You must then create your first administrative user by providing:

- First Name
- Last Name
- Job Title
- Email address

This user will be an administrator on the system and have the ability to create other users for your business at all additional locations you may have. For further details on how to complete this registration process, please see the Registration, Accreditation and Enrolment User Guide available at [www.adamProcure.co.uk](http://www.adamProcure.co.uk) in the Help Library.

The administrator will then receive a username and temporary password. Upon logging into AdamProcure.co.uk, the administrator will be prompted to change the password.

### Step 2: Accreditation and Enrolment

At the Accreditation and Enrolment stages, your business must show that you meet Haringey Council's Entry Criteria to be admitted onto the DPS as one of the Council's Supplies suppliers. You must do so by completing an Entry Submission (your application) by providing responses on AdamProcure.co.uk to a series of questions and uploading documents to provide information about your organisation. The tables in sections 3.1 to 4.5 below set out a copy of the questions that a supplier will have to respond to when completing your Entry Submission on [www.AdamProcure.co.uk](http://www.AdamProcure.co.uk) and they also indicate what documents you need to upload. Some questions will only have to be answered depending on the response to another question. The Entry Criteria you have to meet and how they are evaluated are also explained below in sections 3 and 4.

### **2.3 Entry Submission – notes for completion**

2.3.1. In these notes for completing the Entry Submission, the "Council" means the public sector contracting authority, or anyone acting on behalf of the contracting authority, that is seeking to invite suitable Suppliers to join this DPS.

2.3.2 In these notes for completing the Entry Submission, “You”/ “Your” or “Supplier” means the body completing the Entry Submission i.e. the legal entity seeking to join the DPS and be invited to submit Offers to provide Services required and which is responsible for the information provided. The ‘Supplier’ is intended to cover any economic operator as defined by the Public Contracts Regulations and could be a registered company; charitable organisation; Voluntary Community and Social Enterprise (VCSE); Special Purpose Vehicle; or other form of entity.

2.3.3. The Entry Submission to be completed has been designed to assess the suitability of a Supplier to deliver the Council’s contract requirement(s). If you are successful at this Accreditation and Enrolment stage of the DPS process, you will be selected for the subsequent Requirements stage of the process.

2.3.4. Please ensure that all questions are completed in full on AdamProcure.co.uk by creating and submitting an Accreditation and Enrolment via the tabs on the system and in the format requested. Failure to do so may result in your Entry Submission being disqualified. If a question does not apply to you, please state clearly ‘N/A’.

2.3.5. Where you are required to upload documents, this should be done to the location and / or in the manner indicated further on in this document.

### **Verification of Information Provided**

2.3.6. Whilst reserving the right to request information at any time throughout the DPS process, the Council may enable the Supplier to self-certify that there are no mandatory/ discretionary grounds for excluding their organisation. When requesting evidence that the Supplier can meet specified requirements the Council may only obtain such evidence after the decision on final evaluation of Offers i.e. from the winning Supplier only.

### **Sub-contracting arrangements**

2.3.7. Where the Supplier proposes to use one or more sub-contractors to deliver some or all of the contract requirements, the supplier will be required to provide, in the relevant space for this on AdamProcure.co.uk, details of the proposed bidding model that include members of the supply chain, the percentage of work being delivered by each sub-contractor and the key contract deliverables each sub-contractor will be responsible for.

2.3.8. The Council recognises that arrangements in relation to sub-contracting may be subject to future change and may not be finalised until a later date. However, Suppliers should be aware that where information provided to the Council indicates that sub-contractors are to play a significant role in delivering key contract requirements, any changes to those sub-contracting arrangements may affect the ability of the Supplier to proceed with the DPS procurement process or to provide the supplies and/or services required. Suppliers should therefore notify the Council immediately of any change in the proposed sub-contractor arrangements. The Council reserves the right to withdraw its acceptance of the Supplier onto the DPS prior to any award of an Agreement, based on an assessment of the updated information.

### **Consortia arrangements**

2.3.9. If the Supplier completing the Entry Submission is doing so as part of a proposed consortium, the following information must be provided:

- names of all consortium members.
- the lead member of the consortium who will be contractually responsible for delivery of the contract (if a separate legal entity is not being created); and
- if the consortium is not proposing to form a legal entity, full details of proposed arrangements must be detailed in response to the question in AdamProcure.co.uk.

2.3.10. Please note that the Council may require the consortium to assume a specific legal form if awarded an Agreement, to the extent that a specific legal form is deemed by the Council as being necessary for the satisfactory performance of the Agreement.

2.3.11. All members of the consortium will be required to provide the information required in all sections of the Entry Submission as part of a single composite response to the Council i.e. each member of the consortium is required to complete the Entry Submission.

2.3.12. Where you are proposing to create a separate legal entity, such as a Special Purpose Vehicle (SPV), suppliers will be required to provide details of the actual or proposed percentage shareholding of the constituent members within the new legal entity in the relevant space for this on AdamProcure.co.uk.

2.3.13. The Council recognises that arrangements in relation to a consortium bid may be subject to future change. Suppliers should therefore respond on the basis of the

arrangements as currently envisaged. Suppliers are reminded that the Council must be immediately notified of any changes, or proposed changes, in relation to the bidding model so that a further assessment can be carried out by applying the Entry Criteria to the new information provided. The Council reserves the right to withdraw its acceptance of the Supplier onto the DPS prior to the award of an Agreement, based on an assessment of the updated information.

## **Confidentiality**

2.3.14. When providing details of contracts in answering question 32 in the Enrolment section of the Entry Submission (Technical and Professional Ability), the Supplier agrees to waive any contractual or other confidentiality rights and obligations associated with these contracts.

2.3.15. The Council reserves the right to contact the named customer contact in section 4.4 regarding the contracts included in question 32. The named customer contact does not owe the Council any duty of care or have any legal liability, except for any deceitful or maliciously false statements of fact.

2.3.16. The Council confirms that it will keep confidential and will not disclose to any third parties any information obtained from a named customer contact, other than to the Crown Commercial Service and/or contracting authorities defined by the Public Contracts Regulations.

## **3.0 Part 1 - Accreditation**

At the Accreditation stage, the questions you will be required to provide responses to and documents you need to upload are grouped into the following sections: Supplier Information; Insurances; and Document Upload - Accreditation.

At the Accreditation stage, you will also be required to download and confirm your business's acceptance of a contractual document, the Supplier Agreement, that can be found at <http://demand.SProc.net>.

The Supplier Agreement signs you up to the terms and conditions of transacting business with Haringey Council through the DPS and to delivering any Services required in accordance with the Council's Specification in the event that you are successful in being awarded work through the DPS.

The Supplier Agreement includes Self-Billing Procedure terms in Schedule 2. By accepting the Supplier Agreement, you will be agreeing to these terms including that you will submit weekly invoices (Receipts) to the Council via AdamProcure.co.uk in relation to each Agreement you are awarded and to being paid by *adam* on behalf of Haringey Council.

You will need to accept the Supplier Agreement electronically via AdamProcure.co.uk, by ticking the relevant box on the application, in order to proceed.

### 3.5 Evaluation Methodology - Accreditation

Your Accreditation submission on the questions in Section 3.3 (Insurances) and the document upload requirement in Section 3.4 (Document Upload – Accreditation) will be assessed on a Pass / Fail basis.

Once you have done your Accreditation submission, you should move straight onto completing the Enrolment part of your application. However, moving onto the Enrolment part does not mean that you have passed the Accreditation stage.

In due course all suppliers will receive an email notification confirming whether or not your application has been approved.

If your application has been failed at the Accreditation stage, you will be notified by *adam* who will provide feedback to allow you to rectify any issues and reapply if appropriate.

Self-Certification – All organisations who have self-certified will be required to upload all supporting documentation upon request by the Council which will be reviewed prior to any Agreement/s being awarded for any Services through the DPS.

#### **4.0 Part 2 – Enrolment**

At the Enrolment stage, you will need to provide responses to a series of questions and upload documents in AdamProcure.co.uk relating to the supplier's capabilities. The Council will use the responses and documents provided to assess the capability of your organisation to provide Park Maintenance Services to the Council.

Upon commencement of the Enrolment section you will be required to select which of the following service categories you can provide services for and you will want to receive requirements for:

SUPPLIES            Arboricultural Supplies  
                         Horticultural Supplies Play  
                         Equipment  
                         Parks Equipment

Once you have selected from the above service categories, you will then need to submit answers to questions and documents under the following sections: Grounds for Mandatory Exclusion, Grounds for Discretionary Exclusion, Economic and Financial Standing, Project Specific Questions on Technical and Professional Ability (Trade Registration, Compliance with Legislation, Method Statements and Document Upload - Enrolment.)

#### **4.1 Grounds for Mandatory Exclusion**

A supplier will be excluded from becoming or continuing to be an approved supplier if there is evidence of convictions relating to specific criminal offences including, but not limited to, bribery, corruption, conspiracy, terrorism, fraud and money laundering, or if you have been the subject of a binding legal decision under the laws of your organisation's country of establishment or of any UK jurisdiction which found a breach of legal obligations to pay tax or social security obligations (except either, on an exceptional basis, for overriding reasons relating to the public interest such as public health or protection of the environment or where an exclusion is disproportionate e.g. only minor amounts involved).

Any supplier that answers 'Yes' to questions 2, 4, 6, 8 10 or 12 below should provide, in the relevant space for this on AdamProcure.co.uk, sufficient evidence that provides a summary of the circumstances and of any remedial actions that it has taken which are sufficient to demonstrate its reliability as a supplier despite the conviction in question. The supplier has to demonstrate it has taken such remedial action to the Council's satisfaction in each case.

If such evidence is considered sufficient by the Council (whose decision will be final), the supplier concerned shall be allowed to continue in the DPS process.

In order for the evidence referred to above to be sufficient, the supplier shall, as a minimum, prove that it has:

- paid or undertaken to pay compensation in respect of any damage caused by the criminal offence or misconduct.
- clarified the facts and circumstances in a comprehensive manner by actively collaborating with the investigating authorities; and
- taken concrete technical, organisational and personnel measures that are appropriate to prevent further criminal offences or misconduct.

The measures taken by the supplier shall be evaluated considering the gravity and particular circumstances of the criminal offence or misconduct. Where the measures are considered by the Council to be insufficient, the supplier shall be given a statement of the reasons for that decision.

If you answer 'Yes' to question 12 below on the non-payment of taxes or social security contributions, and have not paid or entered into a binding arrangement to pay the full amount, you may still avoid exclusion if only minor tax or social security contributions are unpaid or if you have not yet had time to fulfil your obligations since learning of the exact amount due. If your organisation is in that position, please provide details in the relevant section for this on AdamProcure.co.uk.

### **European Single Procurement Document (ESPD)**

The Council is required under EU procurement rules to accept an ESPD from a supplier in relation to the procurement of any contract that is over the threshold for EU tendering, currently £164,176 for service contracts.

As the Council will not, at least within the initial six months after the establishment of this DPS, be awarding any contracts / Agreements under the DPS that are above that threshold, the Council does not propose to accept ESPDs from Suppliers during that initial period.

The Council will review the position on the acceptance of ESPDs by the end of that period and will, as necessary, update this document to clarify what further Accreditation and Enrolment information, if any, Suppliers wishing to submit an ESPD will be required to submit.

#### 4.2 Grounds for Discretionary Exclusion

The Council may exclude any supplier who answers 'Yes' to questions 14, 16, 18 or 20 below.

Any supplier that answers 'Yes' to questions 14, 16, 18 or 20 below should provide, in the relevant space for this on AdamProcure.co.uk, sufficient evidence that provides a summary of the circumstances and of any self-cleaning measures that it has taken which are sufficient to demonstrate its reliability as a supplier despite the situation in question. The supplier has to demonstrate it has taken such remedial action to the Council's satisfaction in each case.

If such evidence is considered sufficient by the Council (whose decision will be final), the supplier concerned shall be allowed to continue in the DPS process.

In order for the evidence referred to above to be sufficient, the supplier shall, as a minimum, prove that it has:

- paid or undertaken to pay compensation in respect of any damage caused by the criminal offence or misconduct.
- clarified the facts and circumstances in a comprehensive manner by actively collaborating with the investigating authorities; and
- taken concrete technical, organisational and personnel measures that are appropriate to prevent further criminal offences or misconduct.

The measures taken by the supplier shall be evaluated considering the gravity and particular circumstances of the criminal offence or misconduct. Where the measures are considered by the Council to be insufficient, the supplier shall be given a statement of the reasons for that decision.

## 4.6 EVALUATION METHODOLOGY – ENROLMENT

### 4.6.1 Grounds for Mandatory and Discretionary Exclusion

This area is assessed on a Pass / Fail basis in accordance with the evaluation approach set out in sections 4.1 and 4.2. Essentially Suppliers will be excluded where they answer yes to the questions under the section setting out the grounds for mandatory exclusion and they may be excluded where they answer yes to the questions under the section setting out the grounds for discretionary exclusion unless they give explanations that satisfy the Council that they have taken adequate remedial action.

### 4.6.2 Finance

To assess your organisations financial viability a credit check will be undertaken. This will be used in conjunction with additional financial documentation to undertake a full financial assessment which will be carried out in accordance with the criteria below.

Financial Assessments will also be carried out during the life of the DPS in the following instances:

- a) A significant change is highlighted via our credit alert monitoring process which impacts an organisations financial standing.
- b) On the anniversary of the approval of the Suppliers Enrolment.

4.6.2.1 The full financial assessment will be completed based on a risk analysis of financial information provided by the Supplier.

The financial information provided will be evaluated in a number of ways. It will be used to calculate a number of financial ratios for evaluating the financial well-being of your organisation and of the organisations seeking to be involved in tendering for Service Agreements with your organisation.

#### 4.6.2.2 Assessment of Financial Documentation

This section has a separate evaluation system which will result in either a pass or fail.

If a credit check cannot be obtained or used to determine your organisation's financial viability, an assessment will be done based on a risk analysis of financial information provided by the supplier.

Where a supplier is a subsidiary of a parent company (and will be providing a parent company guarantee) or is applying as a member of a consortium, then all of the information requested in this section is required from both the supplier and the parent company or from each consortium member. Please note that the financial information of the supplier company, parent company and all consortium members, as applicable must therefore be provided.

If you are applying as a consortium, the financial information of each consortium member will then be assessed in line with the evaluation criteria set out below. If any individual member within the consortium fails the financial assessment, the Council will take into account the combined financial assessments of the whole consortium.

The financial information provided will be evaluated in a number of ways. It will be used to calculate a number of financial ratios for evaluating the financial well-being of your organisation and of the organisations seeking to be involved in tendering for Agreements with your organisation.

The scores for financial information will be converted as set out in the table below. There is a total possible score of 20 for this section. A score of 15 or less will result in your business being eliminated from the process.

Score	Outcome
0-15	Fail
16-20	Pass

#### **4.6.2.2.1 Established Businesses (including Sole Traders, Partnerships or Companies, except Not For Profit organisations) set up for longer than 3 years**

Established businesses set up for longer than 3 years must provide audited or independently examined financial accounts that provide figures for at least the past two years of trading.

#### **4.6.2.2.2 New businesses (including Sole Traders, Partnerships or Companies, except Not For Profit organisations) trading for 3 years or less**

Businesses trading for 3 years or less are required to provide the following information:

Businesses trading 1-3 years:

If an organisation is unable to provide 2 years of audited trading figures, then they should also provide:

- i. a minimum one year's audited accounts

- iii. projected year-end balance sheet position for the current year of trading.

The statements at paras. (i) to (iii) must be certified by a qualified accountant or independent auditor.

Businesses trading less than 1 year:

These businesses must submit:

- i. a statement of the turnover, profit and loss and cash flow position for the most recent full year (or part year if full year not applicable) trading and a year-end balance sheet (these statements must be certified by a qualified accountant or independent auditor).

If they cannot provide audited accounts, then they must submit:

- ii. A statement of the turnover, profit and loss and cash flow position and balance sheet for the most recent part year of trading and a year-end balance sheet.
- iii. Cash flow forecast for next 3-5 years; and
- iv. A bank letter outlining the current cash and credit facility position available to the company.

The statements in (i) to (iv) must be certified by a qualified accountant or independent auditor.

In instances where a supplier is unable to provide the above, alternative means of demonstrating financial status (e.g., Forecast of turnover for the current year and a statement of funding provided by the owners and/or the bank) can be provided.

The LCP reserve the right to fail any suppliers who are unable to satisfy this requirement.

#### 4.6.4.3 Method Statements

The Method Statements supplied will be evaluated using the evaluation matrix set out in section 4.6.5.

A minimum Pass Mark of 70% out of a total 100% is required, Suppliers who do not achieve the minimum Pass Mark will not be admitted onto the DPS

The total weighted scores available for each Service Category are as follows:

Arboricultural Supplies	=	130 points	(100%)
Horticultural Supplies	=	130 points	(100%)
Play Equipment	=	130 points	(100%)

The score will be converted to a percentage using the formula below:

Method Statement

Score  $\times 100 =$  Pass Mark

Maximum Score

Example: Total possible score = 355

Tender A obtains a score of 180 out of 355, so receives a Pass Mark of:  $180/355 \times 100 = 51\%$

For the purpose of assessing the Method Statements related to different Service Categories, the respective Method Statements will be reviewed, scored, and assessed by representatives from the Council within the related service areas.

## 5. Next Steps

For fuller details on how to create and submit your Enrolment information, please see the Registration, Accreditation and Enrolment User Guide available at [www.adamProcure.co.uk](http://www.adamProcure.co.uk) in the Help Library and at <http://demand.SProc.net>.

Once your Enrolment submission has been reviewed by Haringey Council against the Enrolment evaluation criteria set out in the Evaluation Methodology above, you will receive an email notification confirming whether or not your application has been approved.

If you are rejected at the Enrolment stage, you will not be able to reapply to enter the DPS within a period of 6 months from the date the feedback is given on rejection. This is to ensure that your business has enough time to implement and embed the requirements set out in the feedback for rejection in the first instance.
