When applying for membership of the DPS, potential suppliers will be invited to select which options within each of the Service Category Characteristics they wish to apply for. Suppliers that are appointed to the DPS will be appointed to the Service Category/Categories as determined by their selections in relation to the Service Category Characteristics.

When a contract is being awarded under the DPS, the council shall select which Service Category applies to that contract, and the suppliers that are registered to the relevant Service Category shall be invited to submit an offer.

The contracts to be awarded under this DPS will be subject to the "light touch regime" under sections 74 to 76 of the Public Contracts Regulations 2015 (the "2015 Regulations"). Accordingly the full scope of the 2015 Regulations do not apply. Nothing in this OJEU Notice or any other document issued during the procurement process (which refers to the process regarding admission to the DPS, to the award of contracts under the DPS or otherwise) shall be taken as acceptance that the full scope of the 2015 Regulations applies nor is it intended to create any contract (express or implied) that Haringey is conducting the procurement in accordance with the full scope of the 2015 Regulations. In particular, and without prejudice to the generality of the above, although the dynamic purchasing system that is being procured is modelled on a dynamic purchasing system under

regulation 34 of the Public Contracts Regulations 2015, Haringey is not bound by regulation 34 in relation to the establishment and operation of the dynamic purchasing system.

The following contracting authorities shall also be permitted to award contracts under the DPS for the provision of services in its own geographical area upon entering an access agreement with Haringey:
